

## Change your heating system to environment-friendly one

If you want to exchange your solid fuel-fired heating system in 2018 to:

- a coal-fired stove (meeting the 5th class requirements as per the PN EN 303-5:2012) or
  - a biomass-fired stove (meeting the 5th class requirements as per the PN EN 303-5:2012),
- or
- a gas-fired stove,

FILL IN AND FILE A SURVEY IN THE TOWN OFFICE OF MIKOŁÓW.

DEADLINE FOR APPLYING - OCTOBER 31, 2017.

More details below.
